

## Dental Service Plan (DSP)

Your business needs a 3D printing solution you can rely on for nonstop production. Behind Formlabs Dental is a dedicated team of certified dental specialists who know exactly how to support you.

### Premium 3D Printing Support, Made For Dental

#### Phone support

You now have a direct line to our Certified Dental Agents to help you one-on-one. Call us Monday through Friday, 9 am - 6 pm ET and CET.

#### Personalized Onboarding Training

Join a dental expert for personalized onboarding training online, at Formlabs HQ in Boston, MA or Berlin, Germany or [select locations around the world](#) to make sure your team gets up and running smoothly.

#### Priority email support

You're our priority in email support. Shoot us an email, and a Certified Dental Agent will respond as soon as possible.

#### Hot swap

If our team determines your printer needs to be repaired or replaced, we'll express ship you a new unit replacement before receiving your old printer. All you need to do is put the old one in the box and ship it back.

#### Proactive check-ins

We'll check in on your process and equipment diagnostics every six months so you can stay focused on running your business.

Our Dental Service Plan includes personalized onboarding training, proactive check-ins, and the best phone and email support in the industry.
